Our financial arrangements with product providers

Suncorp Financial Services has arrangements with investment / superannuation managers of certain wrap platforms and master trusts whereby they pay a commission bonus based on the total volume of funds that clients of Suncorp Financial Services have invested / placed through their platform or trust over a relevant agreed period (usually 12 months).

The amount paid is calculated as a percentage of all funds invested for the relevant agreed period and is paid out of the relevant platform provider's own administration fees. The arrangement does not further increase the administration fee or management expense ratio (MER) amount that would be charged by the investment / superannuation company if this remuneration arrangement was not in place.

The relevant investment / superannuation company will (subject to the relevant volume level being reached) pay us up to a maximum of 30% of the administration fee. For example, if the investment company charged you an administration fee of \$100, they would pay Suncorp Financial Services up to an extra \$30.

Suncorp Financial Services currently has commission bonus arrangements with the following investment / superannuation companies – Asgard, Suncorp WealthSmart, Colonial First State, Suncorp Investment Funds, Macquarie.

Suncorp Financial Services may have arrangements with Life Insurance Companies where they pay a commission bonus based on the total growth of in-force premiums over a relevant agreed period (usually 12 months). The maximum that Suncorp Financial Services may receive from any of these arrangements is 6.6% of the growth of in-force premiums. For example, if the in-force premiums grew by \$50,000 over a specified 12 month period then Suncorp Financial Services would be entitled to receive up to an extra 6.6% of this \$50,000 increase, which is \$3,300.

Suncorp Financial Services currently has arrangements with the following companies regarding Life Insurance – Suncorp LifeGuard, ING, AIA, Commlnsure and AXA.

The commission bonuses paid by investment / superannuation and life insurance companies are either

- Paid to Suncorp Financial Services which pools them and distributes yearly to participating advisers based on the number of years service and/or the amount of revenue generated by the adviser. This is known as the adviser loyalty and production bonus. If your adviser participates in either the loyalty bonus and/or production bonus the way this is calculated will be outlined in their Adviser Profile.

or

- Paid to Suncorp Financial Services which passes them directly on to the adviser.

Alternative Forms of Remuneration Register
